

KONA TEACHERS CONVEENE

Two Days' Meeting, with Interesting Discussions.

Property-Holders Discuss New Government Roads—New Lumber Yard at Kailua.

NORTH KONA (Hawaii), Nov. 21.—The Teachers' Convention for North and South Kona was held at Holualoa school-room on the 14th and 15th inst. There were sixteen teachers present, viz., Mrs. M. F. Scott, Mrs. Sunter, Miss Florence Scott, Mr. and Mrs. N. E. Lemmon, H. T. Mills, Thomas Aiu, Mr. and Mrs. Amalu, Sam Pitero, Thomas Haase, William Wright, Jr., Miss Cornelia Kaelele, Miss Mary Huomanawanui, Moses Kane.

The meeting opened with Secretary Aiu in the chair, President Wilson being absent. The first proceeding was election of officers for ensuing year, as follows: President, Mr. Lemmon; vice-president for North Kona, Mrs. M. F. Scott; for South Kona, Mr. Amalu; secretary and treasurer, Miss Florence Scott. The program for first day began as follows: Reading of the school laws by Thomas Aiu, which was followed by an interesting discussion; reading, by Mrs. Sunter, of a very good paper on "Busy Work;" Mr. Lemmon read a paper on "The Art of Teaching;" a paper by Mrs. Amalu on "Primary Work;" an illustrated talk on "Third and Fourth Reader Language Work" by Mrs. M. F. Scott; Mr. Amalu, on "Writing," spoke of the elements of Payson and Dutton's system.

The second day's exercises began with an animated discussion on the school law regarding attendance. Miss Scott then gave a talk on a method of teaching technical writing in the first part of the course of study. H. T. Mills followed with a paper on the "Essentials of Methods." After recess, Miss Scott introduced Leland's method of drawing and designing, illustrating in a very clear and attractive manner on the blackboard. This was followed by a most interesting paper on "Psychology" by Mrs. M. F. Scott. The teachers then discussed the Summer School question, and, after deciding to hold the next meeting at Kona-waena in March, adjourned, well satisfied with the results of the convention.

Mr. Bruner has been in the district for a week, looking after road work for the Government. A meeting of property-holders has been called for Saturday to discuss with Mr. Bruner his proposed line for the upper road. His plan is to straighten the road as much as possible. This will cause it to deviate considerably at certain places, from the present "cow trail." As the proposed change will leave a few residences farther from the main road, it is understood it will meet with opposition. But it is to be hoped that the general welfare of the district will overrule personal interests.

George Clark has opened a lumber yard at Kailua, in partnership it is understood, with John Ena, of Honolulu.

Mr. and Mrs. N. E. Lemmon, of Pahoe, are settled in their new home and have their school duties well in hand.

Miss Edith Wallace, of San Francisco, is visiting her cousin, Mrs. Katherine Scott.

Dr. and Mrs. Whitney have returned to Honolulu after an extended visit at Mrs. Greenwell's.

A rainstorm with thunder and lightning began on the afternoon of the 17th, and it was almost two days before it settled to the usual serene sunshine. The nights are getting decidedly chilly.

Second Degree Murder.

Wong Fook, the Chinaman who stabbed a countryman to death about two weeks ago, was convicted of murder in the second degree last night.

Attorneys Dole and Davis, who had been assigned by the Court, made masterly speeches in the defense of the prisoner, and ex-Judge Hartwell prosecuted in his usual quiet manner. At 7:45 o'clock Judge Magoon charged the jury as impartially as ever a charge was delivered from the Hawaiian bench. While the pleadings and charge were being made the prisoner sat in a semi-dazed condition with bowed head. During the afternoon he was examined in the law library by two physicians as to his sanity, but, whether from fright or otherwise, he could not be made to answer. From his actions and the fact that absolutely no motive can be found for the murder the impression seems to be that the man's mind is affected.

Battalion Drill Last Night.

There was a good turnout last night of all the companies constituting the second battalion. Companies G and H turned out fully uniformed. The native company carried the colors. The battalion was drilled for a short time by Colonel McLean, after which Captain Zeigler assumed command in place of Major Jones, engaged at court. Captain Zeigler put the men through the various battalion maneuvers in a truly creditable manner. While of course mistakes were made, the drill on the whole was very good. Many spectators were on Union square to watch the men go through the various maneuvers.

THANKSGIVING FOOTBALL.

Complete Personnel of the Two Teams to Compete.

It has been a very long fast for the football enthusiasts of Honolulu since the games of last season, but just watch the fun on Thanksgiving day, and watch the figuratively-speaking emaciated enthusiasts shout and stamp out of pure enjoyment. The H. A. A. C. will be strictly in it, for there are two teams from the ranks of that organization to buck against one another on Thanksgiving day. The H. A. A. C. is sure to win. But wait. H. A. A. C. though the two teams may be, there is just as much rivalry as if the Philadelphia slug-gers, with Captain Olmstead, were here to try wind and muscle against the town boys. It will be a fight to the finish—this Thanksgiving game. Whoever is willing to pay a small sum of twenty-five cents will be granted admission to Makiki baseball grounds at 3:30 p.m. on the day mentioned. Rain will make no difference. The game will proceed just the same.

And here is a list of the men who will spot the gridiron with their chrysanthemum heads of hair:

"ROCKDALE OBSERVER" [May 3, 1890], remarks: "Some remarkable cures have certainly been effected by Sequah's medicines."

"WATERFORD NEWS" [Apr. 6th, 1890], speaking of Sequah's remedies, says: "The cures remain, and men are walking about to-day, who for the past ten years read novels in their beds during the intervals snatched from dry toast, potions and pills."

"MID-DERBYSHIRE STAR" [May 2, 1890], "The cures made by Sequah's Remedies, have excited a great deal of talk, because the patients art well known as having suffered a number of years. Some of them have been afflicted for 20 years."

"ROCKDALE STAR" [May 3rd, 1890]. "It cannot be denied that persons well known in Rockdale, known to have suffered from the poor man's curse, rheumatism, have secured permanent relief by the use of Sequah's Remedies."
